Thai food is in tune with the healthy eating habits of today. Using low fat ingredients, it is lightly cooked with all the nutritional content remaining intact. It is ideal for a quick lunch or a more leisurely evening meal.

What makes eating here at Weeping Thaiger so much more enjoyable is the knowledge that it is probably the best value for money around. So please, be our guest and enjoy the Thai food experience. Our Waiting Staff are on hand to help you with your choices.

Our Thai Chef's take pride in the fact that nothing on our menu is cooked in advance of orders. All our food is cooked fresh to order, thus ensuring the highest quality of Thai food arriving at your table. Cooking everything fresh can be a time consuming affair and may cause delays between courses from time to time. Your patience would be greatly appreciated in this instance. We believe in quality of food rather than speed of service and we are sure that you will think likewise once you have sampled our food.

All of our Beef dishes are made using only the finest Irish Striploin Beef.
